 The first student to complete the BSE program with a First Class from the Open University of Sri Lanka. Received the Virtusa Academic Excellence Gold Medal for the Best Student in BSE. Received three scholarships through the Dean's List of Distinguished Students in three consequent years.
- 2016 - 2017 ● **PROFESSIONAL MEMBERSHIP (MBCS)** ♥ International
 At BCS, The Chartered Institute for IT

PROFILE

Courteous and enthusiastic, I am interested in web development and everything in its orbit. With 9+ years of experience in the field, I can be relied upon to build complex digital products, deliver them on schedule and to a very high standard. I care deeply about creating world-class, useful, and beautiful products that help people and make a difference.
